botsplash

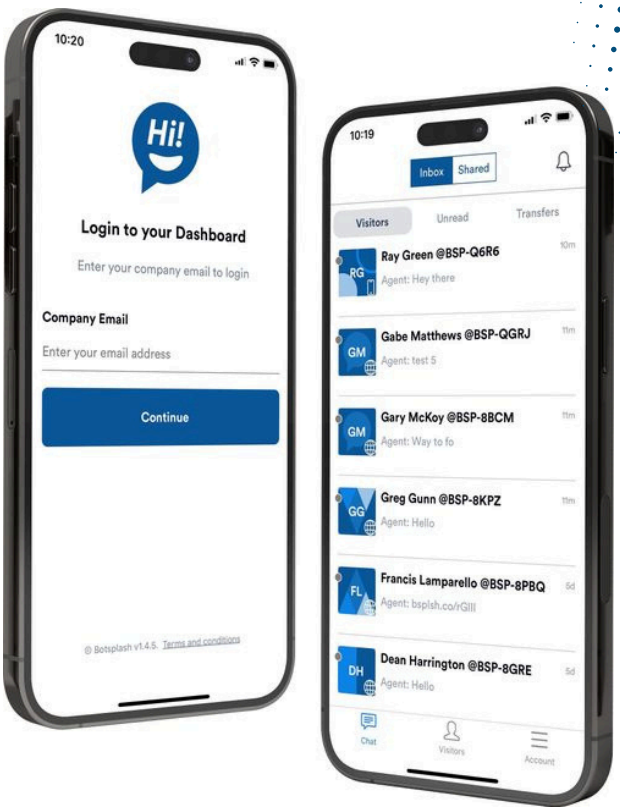

The Botsplash Mobile App

Download on the App Store

GET IT ON Google Play

The Botsplash Mobile App ensures that agents never miss an opportunity to connect with leads and customers, enabling them to accept new incoming leads and maintain communication after hours, while on vacation, or away from their desks, effectively preventing any loss of potential business.

1. **CONTINUOUS CONNECTIVITY**
2. **IMMEDIATE LEAD RESPONSE**
3. **AFTER-HOURS ENGAGEMENT**
4. **IMPROVED LEAD MANAGEMENT**
5. **ENHANCED CUSTOMER EXPERIENCE**

Omnichannel Support

Agents can manage customer interactions across multiple channels like SMS, Web Chat, WhatsApp, and more, directly from their mobile devices.

24/7 Accessibility

Enable continuous communication, providing agents the flexibility to respond to customer inquiries anytime and anywhere, ensuring no customer interaction is missed.
